

Re: Armatus® Online Training from Praesidium

The University of California and Praesidium are pleased to announce that we are ready to begin Praesidium's Internet-based training, Armatus®. Armatus® teaches employees and volunteers how to keep minors on campus in our care safe from abuse!

Armatus® is accessible anytime, from anywhere. You just logon to a high-speed Internet connection and complete the assigned courses. The step-by-step courses are easy to understand! Each course ends with a brief quiz to ensure you understand all of the important material. You'll also have a chance to provide feedback on the course content and usability.

Available Courses:

Meet Sam	It Happened to Me
Sam molests children. Hear him tell how he gets away with it. You will learn: <ul style="list-style-type: none">• The three types of molesters• The three things molesters need in order to offend• The types of boundaries offenders often violate	Anger. Failing grades. Depression. These are some effects of sexual abuse. You will learn: <ul style="list-style-type: none">• The long-term effects of abuse• Which children are vulnerable to abuse• Why children don't tell about abuse• What to do if a child tells you about abuse
California "CANRA" Mandated Reporter	A Day at Day Camp
The California Child Abuse and Neglect Reporting Act ("CANRA") describes both your legal responsibilities and additional recommended steps regarding the identification and reporting of child abuse and neglect. You will learn: <ul style="list-style-type: none">• Why reporting suspected abuse and neglect is critical• Who is a mandated reporter of suspected abuse and neglect• What types of conduct must be reported• What you must do if you are a mandated reporter• How to respond if a child discloses abuse or neglect to you	"A Day at Day Camp" takes you through a typical day at camp. You will learn: <ul style="list-style-type: none">• How to keep campers safe from sexual abuse• How to protect yourself from false allegations of abuse• How to identify and manage high risk situations at camp• What to do if you see something suspicious or inappropriate
Keeping Your Camp Safe	Abuse Risk Management for Volunteers
Camping can be a wonderful experience for kids – but not if they are abused by a counselor or a peer. You will learn: <ul style="list-style-type: none">• The abuse risks at a residential camp• Six locations where abuse is most likely to happen at a residential camp• How all employees and volunteers can make a difference	Volunteers give their precious time to your organization to serve others. Teach them how to protect those you serve from abuse and themselves from false allegations. You will learn: <ul style="list-style-type: none">• The facts about sexual abuse• Three steps volunteers can take to keep kids safe• How volunteers can protect themselves
Keeping Your School Safe (Student Teachers)	Policies
When children come to school they expect to have fun, meet challenges, make friends, practice skills, and grow. They expect to be safe. You will learn: <ul style="list-style-type: none">• When, where and by whom child abuse is most likely to occur at school• Specific steps to take to keep children safe at school• How to prevent false allegations of abuse	Policies allow your organization to define what's acceptable – and what isn't. <ul style="list-style-type: none">• To complete this course, users read your policies and indicate online that they understand and agree to comply with the policies
Preventing Sexual Activity between Young Children	Advanced Abuse Prevention Refresher – Year Two
Recent statistics show that incidents of sexual acting out between children have increased 300% in the past three years. You will learn: <ul style="list-style-type: none">• How – and where – sexual activity between children typically occurs• Steps to prevent sexual activity between children• How to respond if sexual activity between children occurs	Once your employees and volunteers know the basics about preventing abuse in your organization, it's time for real life application. You will learn: <ul style="list-style-type: none">• Why it is so important to act on warning signs, and how to do so• How to keep yourself and co-workers safe from false allegations• How to apply your knowledge to real-life scenarios
